## Summary

### Strengths

Review the strengths listed above and copy and paste 2-5 strengths which have had the most impact in improving your most pressing challenges.

|   |
|---|
| 38.5% of students graduated in four years in 2022-23, which is a significant increase in performance from the previous year (6.5%).       |
| 38.5% of Black students graduated in four years in 2022-23, which is a significant increase in performance from the previous year (6.5%). |

### Challenges

Review the challenges listed above and copy and paste 2-5 challenges if improved would have the most impact in achieving your Future Ready PA index targets.

|   |
|---|
| 15.6% of students regularly attended school for the 2022-23 school year, which is an increase in performance from the previous year.                            |
| 10.0% of students met the Career Standards Benchmark for the 2022-23 school year, which is not meeting the statewide goal or interim target.                    |
| 15.5% of Black students regularly attended school for the 2022-23 school year, which is an increase in performance from the previous year.                      |
| 17.5% of Economically Disadvantaged students regularly attended school for the 2022-23 school year, which is an increase in performance from the previous year. |

## Local Assessment

### English Language Arts

| Data               | Comments/Notable Observations  |
|--------------------|--|
| Star Reading       | 2.1% of students scored At/Above Benchmark on the Spring 2024 Star Reading assessment. |
| Course Marks - ELA | 10.6% of students earned As or Bs in ELA through Q4 of the 2023-24 school year.        |

### English Language Arts Summary

#### Strengths

|   |
|---|
| 10.6% of students earned As or Bs in ELA through Q4 of the 2023-24 school year. |
|---|

#### Challenges

|  |
|--|
| 2.1% of students scored At/Above Benchmark on the Spring 2024 Star Reading assessment. |
|--|

### Mathematics

| Data                | Comments/Notable Observations   |
|---------------------|---|
| Course Marks - Math | 4.4% of students earned As or Bs in Math through Q4 of the 2023-24 school year.     |
| Star Math           | 0.0% of students scored At/Above Benchmark on the Spring 2024 Star Math assessment. |

### Mathematics Summary

#### Strengths

|   |
|---|
| 4.4% of students earned As or Bs in Math through Q4 of the 2023-24 school year. |
|---|

### Challenges

0.0% of students scored At/Above Benchmark on the Spring 2024 Star Math assessment.

## Science, Technology, and Engineering Education

| Data                   | Comments/Notable Observations   |
|------------------------|---|
| Course Marks - Science | 55.3% of students earned As or Bs in Science through Q4 of the 2023-24 school year. |
| Course Marks - Science | 39.3% of students earned Ds or Fs in Science through Q4 of the 2023-24 school year. |

## Science, Technology, and Engineering Education Summary

### Strengths

55.3% of students earned As or Bs in Science through Q4 of the 2023-24 school year.

### Challenges

39.3% of students earned Ds or Fs in Science through Q4 of the 2023-24 school year.

## Related Academics

### Career Readiness

| Data                             | Comments/Notable Observations  |

|------|-------------------------------|
|------|-------------------------------|

|                               |  |
|-------------------------------|--|
| Course Marks - Social Studies | 62.9% of students earned Ds or Fs in Social Studies through Q4 of the 2023-24 school year. |
| Course Marks - Social Studies | 16.2% of students earned As or Bs in Social Studies through Q4 of the 2023-24 school year. |

## Summary

### Strengths

Review the comments and notable observations listed previously and record 2-5 strengths which have had the most impact in improving your most pressing challenges.

16.2% of students earned As or Bs in Social Studies through Q4 of the 2023-24 school year.

### Challenges

Review the comments and notable observations listed previously and record 2-5 Challenges which if improved would have the most impact in achieving your Mission and Vision.

62.9% of students earned Ds or Fs in Social Studies through Q4 of the 2023-24 school year.

2.1% of students scored At/Above Benchmark on the Spring 2024 Star Reading assessment, and 0.0% of students scored At/Above Benchmark on the Spring 2024 Star Math assessment.

## Equity Considerations

### English Learners

**True** This student group is not a focus in this plan.

### Students with Disabilities

**True** This student group is not a focus in this plan.

### Students Considered Economically Disadvantaged

**False** This student group is not a focus in this plan.

| Data                   | Comments/Notable Observations   |
|------------------------|---|
| Star Reading           | 2.2% of Economically Disadvantaged students scored At/Above Benchmark on the Spring 2024 Star Reading assessment. |
| Star Math              | 0.0% of Economically Disadvantaged students scored At/Above Benchmark on the Spring 2024 Star Math assessment.    |
| Course Marks - Science | 51.9% of Economically Disadvantaged students earned As or Bs in Science through Q4 of the 2023-24 school year.    |

### Student Groups by Race/Ethnicity

**False** This student group is not a focus in this plan.

| Student Groups | Comments/Notable Observations  |
|----------------|--|
| Black          | 2.2% of Black students scored At/Above Benchmark on the Spring 2024 Star Reading assessment. |
| Black          | 0.0% of Black students scored At/Above Benchmark on the Spring 2024 Star Math assessment.    |
| Black          | 56.3% of Black students earned As or Bs in Science through Q4 of the 2023-24 school year.    |

## Summary

### Strengths

Review the comments and notable observations listed previously and record the 2-5 strengths which have had the most impact in improving your most pressing challenges.

|  |
|--|
| 56.3% of Black students earned As or Bs in Science through Q4 of the 2023-24 school year.                      |
| 51.9% of Economically Disadvantaged students earned As or Bs in Science through Q4 of the 2023-24 school year. |
|  |
|  |

### Challenges

Review the comments and notable observations listed previously and record the 2-5 Challenges which if improved would have the most impact in achieving your Mission and Vision.

|   |
|---|
| 0.0% of Economically Disadvantaged students scored At/Above Benchmark on the Spring 2024 Star Math assessment.    |
| 2.2% of Economically Disadvantaged students scored At/Above Benchmark on the Spring 2024 Star Reading assessment. |
| 2.2% of Black students scored At/Above Benchmark on the Spring 2024 Star Reading assessment.                      |
| 0.0% of Black students scored At/Above Benchmark on the Spring 2024 Star Math assessment.                         |
|   |

## Conditions for Leadership, Teaching, and Learning

### Focus on Continuous improvement of Instruction

|   |             |
|---|-------------|
| Align curricular materials and lesson plans to the PA Standards   | Emerging    |
| Use systematic, collaborative planning processes to ensure instruction is coordinated, aligned, and evidence-based  | Emerging    |
| Use a variety of assessments (including diagnostic, formative, and summative) to monitor student learning and adjust programs and instructional practices | Emerging    |
| Identify and address individual student learning needs  | Operational |
| Provide frequent, timely, and systematic feedback and support on instructional practices  | Emerging    |

### Empower Leadership

|  |             |
|--|-------------|
| Foster a culture of high expectations for success for all students, educators, families, and community members | Operational |
| Collectively shape the vision for continuous improvement of teaching and learning                              | Operational |

|   |             |
|---|-------------|
| Build leadership capacity and empower staff in the development and successful implementation of initiatives that better serve students, staff, and the school | Emerging    |
| Organize programmatic, human, and fiscal capital resources aligned with the school improvement plan and needs of the school community                         | Operational |
| Continuously monitor implementation of the school improvement plan and adjust as needed   | Operational |

### Provide Student-Centered Support Systems

|  |             |
|--|-------------|
| Promote and sustain a positive school environment where all members feel welcomed, supported, and safe in school: socially, emotionally, intellectually and physically | Operational |
| Implement an evidence-based system of schoolwide positive behavior interventions and supports  | Operational |
| Implement a multi-tiered system of supports for academics and behavior   | Emerging    |
| Implement evidence-based strategies to engage families to support learning   | Emerging    |
| Partner with local businesses, community organizations, and other agencies to meet the needs of the school   | Emerging    |

### Foster Quality Professional Learning

|  |          |
|--|----------|
| Identify professional learning needs through analysis of a variety of data                       | Emerging |
| Use multiple professional learning designs to support the learning needs of staff                | Emerging |
| Monitor and evaluate the impact of professional learning on staff practices and student learning | Emerging |

## Summary

### Strengths

Which Essential Practices are currently Operational or Exemplary and could be leveraged in your efforts to improve upon your most pressing challenges?

|  |
|--|
| Foster a culture of high expectations for success for all students, educators, families, and community members |
|--|

### Challenges

Thinking about all the most pressing challenges identified in the previous sections, which of the Essential Practices that are currently Not Yet Evident or Emerging, if improved, would greatly impact your progress in achieving your mission, vision and Future Ready PA Index interim targets in State Assessment Measures, On-Track Measures, or College and Career Measures?

|   |
|---|
| Use systematic, collaborative planning processes to ensure instruction is coordinated, aligned, and evidence-based  |
| Promote and sustain a positive school environment where all members feel welcomed, supported, and safe in school: socially, emotionally, intellectually, and physically |

## Summary of Strengths and Challenges from the Needs Assessment

### Strengths

Examine the Summary of Strengths. Identify the strengths that are most positively contributing to achievement of your mission and vision. Check the box to the right of these identified strength(s).

| Strength  | Check for Consideration in Plan |
|---|---------------------------------|
| 38.5% of students graduated in four years in 2022-23, which is a significant increase in performance from the previous year (6.5%).       | True                            |
| 38.5% of Black students graduated in four years in 2022-23, which is a significant increase in performance from the previous year (6.5%). | False                           |
| 10.6% of students earned As or Bs in ELA through Q4 of the 2023-24 school year.   | False                           |
| 4.4% of students earned As or Bs in Math through Q4 of the 2023-24 school year.   | False                           |
| 55.3% of students earned As or Bs in Science through Q4 of the 2023-24 school year.   | False                           |
| 16.2% of students earned As or Bs in Social Studies through Q4 of the 2023-24 school year.  | False                           |
| Foster a culture of high expectations for success for all students, educators, families, and community members                            | False                           |
| 56.3% of Black students earned As or Bs in Science through Q4 of the 2023-24 school year.   | False                           |
| 51.9% of Economically Disadvantaged students earned As or Bs in Science through Q4 of the 2023-24 school year.                            | False                           |

### Challenges

Examine the Summary of Challenges. Identify the challenges which are most pressing at this time for your School and if improved would have the most pronounced impact in achieving your mission and vision. Check the box to the right of these identified challenge(s).

| Strength  | Check for Consideration in Plan |
|---|---------------------------------|
| 15.6% of students regularly attended school for the 2022-23 school year, which is an increase in performance from the previous year.                                    | True                            |

| 2.2% of Black students scored At/Above Benchmark on the Spring 2024 Star Reading assessment.   | False |
| 0.0% of Black students scored At/Above Benchmark on the Spring 2024 Star Math assessment.  | False |
| 2.1% of students scored At/Above Benchmark on the Spring 2024 Star Reading assessment, and 0.0% of students scored At/Above Benchmark on the Spring 2024 Star Math assessment. | True  |

### Most Notable Observations/Patterns

In the space provided, record any of the comments and notable observations made as your team worked through the needs assessment that stand out as important to the challenge(s) you checked for consideration in your comprehensive plan.

Overall, 15.6% of students regularly attended school for the 2022-23 school year, showing an improvement from the previous year. 2.1% of students scored At/Above the Benchmark on the Spring 2024 Star Reading assessment, and 0.0% scored At/Above the Benchmark on the Spring 2024 Star Math assessment. To address these issues, the school will promote and sustain a positive environment focusing on supporting students with mental health challenges and attendance motivation issues to improve regular attendance rates. Systematic, collaborative planning will ensure instruction is coordinated, aligned, and evidence-based, emphasizing improving intervention efforts to enhance ELA and Math proficiency rates. Funding has been allocated for a School Counselor to support these initiatives.

## Analyzing (Strengths and Challenges)

### Analyzing Challenges

| Analyzing Challenges   | Discussion Points   | Check for Priority |
|--|---|--------------------|
| 15.6% of students regularly attended school for the 2022-23 school year, which is an increase in performance from the previous year.   | Student attendance is significantly influenced by multiple factors, including a lack of motivation to attend school, SPED placement issues, mental health challenges like anxiety and depression, inadequate emotional supports, and challenging circumstances at home. These combined factors create significant barriers to regular attendance for students, impacting their overall engagement and academic success. | True               |
| 2.1% of students scored At/Above Benchmark on the Spring 2024 Star Reading assessment, and 0.0% of students scored At/Above Benchmark on the Spring 2024 Star Math assessment. | Many students are below grade level in Reading and Math, with varying proficiency levels affecting their mindset towards learning. The absence of additional reading and math intervention classes exacerbates this gap in proficiency.   | True               |

### Analyzing Strengths

| Analyzing Strengths   | Discussion Points   |
|---|---|
| 38.5% of students graduated in four years in 2022-23, which is a significant increase in performance from the previous year (6.5%). | If we can replicate the processes that have enabled us to make significant gains in our graduation rate, then we can attempt to replicate them in other highly important areas, such as attendance. |

### Priority Challenges

| Analyzing Priority Challenges | Priority Statements   |
|-------------------------------|---|
|                               | If we promote and sustain a positive school environment where all members feel welcomed, supported, and safe in school with a focus on supporting students with mental health challenges and attendance motivation issues, then we will see improvements in our regular attendance rates. |
|                               | If we use systematic, collaborative planning processes to ensure instruction is coordinated, aligned, and evidence-based with a focus on improving intervention efforts, then we will see improvements in our ELA and Math proficiency rates.   |

## Goal Setting

**Priority: If we promote and sustain a positive school environment where all members feel welcomed, supported, and safe in school with a focus on supporting students with mental health challenges and attendance motivation issues, then we will see improvements in our regular attendance rates.**
